

17th September 2024

Dear Parent/Carer,

At Colne Valley High School we are actively promoting Careers to our students in order to raise their awareness of the excellent opportunities available to them when they leave school.

We are hosting a Careers Fair in school on Thursday 14th November 2024, 4.00pm - 7.30pm which will give our parents and students the opportunity to meet colleges, universities, training/apprenticeship providers and employers.

This will be an excellent opportunity for your child to explore a range of options available to them. The Careers Fair will be particularly beneficial for students in Year 9 as they are starting to think about their option choices and also for Year 10 and 11 students as they prepare for making their post 16 choices. We would also welcome any students and parents from Year 7 and 8 that would like to start exploring their career options now.
