**Year 11 Parents' Evening - Thursday 26<sup>th</sup> September 2024**

Dear Parent / Carer,

Year 11 continue to make progress with their preparation for GCSE's this Summer. We are delighted to be able to invite you to meet in school to discuss your child's progress. This is a fantastic opportunity for you to speak with your child's subject specialists and hear about how they are performing in their subjects. It is also a great opportunity to ask any questions you may have and ensure we are all supporting your child in the best possible way.

I would strongly encourage you to bring your child with you when you speak to their teachers.

For you and your child, this will take place **in school on Thursday 26<sup>th</sup> September, running from 15:30 until 19:00.** We are hosting Parents' Evening in school this time as we want to invite our families into the building and have more personal conversations with them.

Appointments will be booked using the online platform School Cloud. The online booking system will open on Thursday 19<sup>th</sup> September at 18:00. It can be accessed by the link below. Please note, if your availability on the evening is limited, we advise that you log in and book your appointments as early as possible so you can reserve your desired times. If you experience any difficulties in accessing School Cloud, please contact us through [cvhs@thecvhs.co.uk](mailto:cvhs@thecvhs.co.uk).
